Subpart B—Requests Initiated by the Postal Service To Modify the Product Lists Described Within the Mail Classification Schedule

§ 3020.30 General.

The Postal Service, by filing a request with the Commission, may propose a modification to the market dominant product list or the competitive product list appearing in the Mail Classification Schedule. For purposes of this part, modification shall be defined as adding a product to a list, removing a product from a list, or moving a product from one list to the other list.

§ 3020.31 Contents of a request.

A request to modify the market dominant product list or the competitive product list shall:

(a) Provide the name, and class if applicable, of each product that is the subject of the request;

(b) Provide a copy of the Governor's decision supporting the request, if any;

(c) Indicate whether the request proposes to add a product to the market dominant list or the competitive list, remove a product from the market dominant list or the competitive list, or transfer a product from the market dominant list to the competitive list or from the competitive list to the market dominant list;

(d) Indicate whether each product that is the subject of the request is:

(1) A special classification within the meaning of 39 U.S.C. 3622(c)(10) for market dominant products;

(2) A product not of general applicability within the meaning of 39 U.S.C. 3632(b)(3) for competitive products; or

(3) A non-postal product.

(e) Provide all supporting justification upon which the Postal Service proposes to rely; and

(f) Include a copy of the applicable sections of the Mail Classification Schedule and the proposed changes therein in legislative format.

§ 3020.32 Supporting justification.

Supporting justification shall be in the form of a statement from one or more knowledgeable Postal Service official(s) who sponsors the request and attests to the accuracy of the information contained within the statement. The justification shall:

(a) Demonstrate why the change is in accordance with the policies and the applicable criteria of chapter 36 of title 39 of the United States Code;

(b) Explain why, as to market dominant products, the change is not inconsistent with each requirement of 39 U.S.C. 3622(d), and that it advances the objectives of 39 U.S.C. 3622(b), taking into account the factors of 39 U.S.C. 3622(c);

(c) Explain why, as to competitive products, the addition, deletion, or transfer will not result in the violation of any of the standards of 39 U.S.C. 3633;

(d) Verify that the change does not classify as competitive a product over which the Postal Service exercises sufficient market power that it can, without risk of losing a significant level of business to other firms offering similar products:
